Double outlet

Double outlet to prepare two cups at the same time

Stability and exclusive design is what makes the Peru machine so special. The walnut wood front creates the feeling of natural coffee pleasure. Another special feature is the user-friendly integrated touch panel for really easy coffee making.

Approval marks

Our ISO 9001 and ISO 14001 certificates prove that the company Aequator AG fulfils the international standards of quality management and environment management.

Hot Start System

Aequator's unique heating system creates pleasantly hot coffee enjoyment, from the very first cup.

High Hygiene Standard

Best hygiene milk system keeps bacteria away and reduces maintenance and cleaning work (meets EU hygiene regulations HACCP).

Grinder Control

Excellent taste guaranteed by automatic quality control of grinder and automatic adjustment of grinding and brewing times.
