

SALVADOR 3.0

Variety of drinks and noble design – all in one.

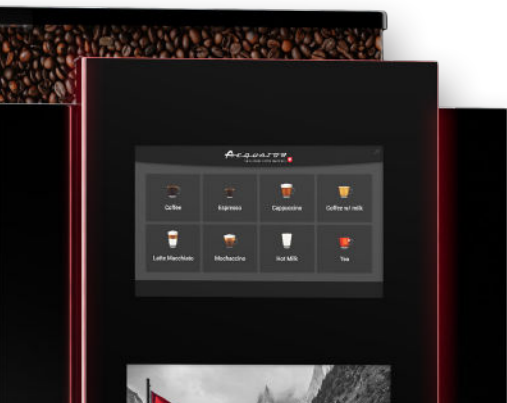

SWISS COFFEE GRINDER

Swiss Bean grinder for best coffee quality and permanent safety. Fast and very low noise, ideal for office environment.

HMI 4.0 (Human Machine Interface)

Brilliant "Human Machine Interface" (HMI): user-friendly, automatic program. Modern presentation of your products (8 to many different drink selections): individual colour worlds on easy to use touch screen, simply swiping.

OUTLET

A Cup stand adjustable in height offers place for big cups of coffee and jugs up to 16 cm height. Ideal use for meetings and conferences. A separate outlet for hot water to prepare best tea quality.

NOBLE GLASS DESIGN

The precious glass front offers a fancy LED-lighting with automatic colour change. The variety of drinks and the high value design of stainless steel combined with high gloss are the features of our coffee machine.

HOT-START

Hot Start

Aequator's unique heating system creates pleasantly hot coffee enjoyment, from the very first cup.

HYGO-MILK

Hygo milk

Best hygiene milk system keeps bacteria away and reduces maintenance and cleaning work (meets EU hygiene regulations HACCP).

QUALI-CONTROL

Qualiy Control

Excellent taste guaranteed by automatic quality control of grinder and automatic adjustment of grinding and brewing times.
